

Paragon

2024

STEP OUTSIDE OF THE EXPECTED

WITH OUR NATURE-INSPIRED STYLES FOR 2024.

An adventurous spirit infuses our new styles for 2024. Technical fishing gear is not only one of the hottest retail apparel trends, it's making a mark in the corporate branding and resort markets. Paragon gives you the ability to co-brand exciting new styles, designed with technical details and lightweight performance fabric to ensure breathability while fishing and hiking.

PERFORMANCE FEATURES

Mesh-lined back vent for ventilation

UPF 40+ Sun Protection

Rod holder

Dual-pocket systems on both sides of shirt

Rip stop polyester fabric

COMFORT FEATURES

Roll-up sleeves with tab holder

Lightweight 2.4 oz.

Side slit for unrestricted movement

Outdoor inspiration continues with our partnership with Mossy Oak®. This leading hunting and fishing brand brings a bold new retail style to our industry. A wide variety of prints are perfect for co-branding. Mossy Oak® patterns are drawn from the natural world, with the look of earth, water and wind. Now you can add a new level of authenticity and character to your customer's image with the connection to this legendary brand.

Ready to take a look? We invite you to explore the great outdoors, and much more, in the following pages.

MOSSY OAK®

**NEW
STYLES**

Woven Long and Short Sleeve Shirts. Be ready for any season or outdoor excursion. These new styles feature technical details like multiple pockets, back shoulder vents and a lightweight, quick-dry fabric. With a range of colors to choose from, you'll look great and stay comfortable while fishing, boating, hiking or exploring the great outdoors.

- > 100% Ripstop Performance Polyester
- > Paragon Plus Moisture Management
- > Anti-Microbial finish
- > Wrinkle-resistant finish
- > UPF 40+ protection
- > Multiple pockets
- > Velcro® strap rod holder
- > Back shoulder vents/mesh insert
- > Bungee loop tabs keep rolled-up sleeves in place
- > Tonal buttons match fabric
- > Side slits for unrestricted movement
- > Lightweight, dries quickly
- > 2.4 oz.

Sizes: S - 4XL

Colors: Mint Green, Blue Mist, White, Aqua Blue, Olive Green, Navy, Vivid Blue, Aluminum, Black

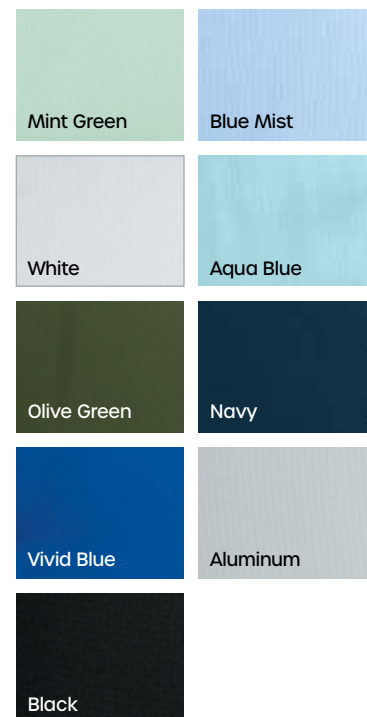

702 > Kittyhawk

This long-sleeved shirt features bungee loop tabs to keep sleeves rolled up and in position, even when casting a line or hoisting an anchor.

700 > Hatteras

For warmer days, this shirt has the same style and fabric as the Kittyhawk, but in short sleeves.

Bungee loop tabs keep sleeves rolled up and in position while casting your reel.

Dual pocket system on both sides of shirt. Velcro® strap holds fishing rod.

709 > Buxton

With our top-selling camouflage sublimation pattern, you can go beyond traditional solids and sport a hip camo look in pastel colors.

Sizes: S - 4XL

Colors: Blue Mist, Aluminum, Aqua Blue, White

Due to the sublimated print, we highly recommend sample testing by color before decorating.

America's #1 camo brand arrives at Paragon, geared up for action. We're excited to offer a variety of industry-leading patterns through our partnership with Mossy Oak®, one of the most respected names in the hunting and outdoor world. These prints, powered by advanced photorealistic 3D imagery that masterfully captures the natural environment. Our styles include:

Bottomland®: The pattern that launched Mossy Oak® decades ago, Bottomland draws from the most essential woodland elements of dirt, sticks and leaves to create an earthy, rugged look that never goes out of style.

Elements Agua®: Light, shadow and shimmer blend seamlessly in this aquatic-themed family of patterns celebrating the joys of living and playing on the water.

Shadow Grass Habitat®: Mossy Oak® designed the world's first waterfowl-specific camo pattern, and the tradition continues with this lineup. The styles combine digitally realistic images of elements from waterfowl habitats with the perfect balance of light and dark shadows.

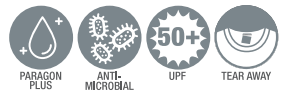

241 > Biloxi

Whether your vibe is water or woodlands, this hoodie is for you. On-trend details are inspired by our popular Tortuga style. The patterns on the sleeves and hood pop against the neutral white or sand body for a harmonious blend of colors and a one-of-a-kind look.

- > 100% Microfiber Performance Polyester
- > Paragon Plus Moisture Management
- > Anti-Microbial finish
- > Wrinkle-resistant finish
- > UPF 50+ label on left hemmed sleeve

Due to the sublimated print, we highly recommend sample testing by color before decorating.

Arctic Camo

Smoke Camo

Sky Camo

Coyote Camo

Black Red Navy Steel Light Blue

234 > Mirage

One part beach. One part rugby. Our unexpected design concept is a stylish mashup of ombre and stripes. A contrast shoulder stitch provides a pop of definition, and the tailoring around the armhole and shoulder matches the color of the center of the shirt. It's a standout shirt that uses color gradation in a new way, making it a uniquely ownable look for anyone who slips it on.

- > 100% Microfiber Performance Polyester
- > Paragon Plus Moisture Management

225 > Barbados

With our laser focus on creating the richest colors, it all comes down to dots. Color gradation, utilizing white dotting within the fabric pattern, provides more clarity of color than traditional gradated solid tones. The color transition is seamless, while the fabric is soft to the touch. Dot gradations can change how you look at tees!

- > 100% Microfiber Performance Polyester
- > Paragon Plus Moisture Management
- > Anti-Microbial finish
- > Wrinkle-resistant finish
- > UPF 50+ label on left hemmed sleeve
- > Sublimated self-fabric neck tape

Possible to go beyond the Extreme? There's a reason our most technical tee earned the name XP (Xtreme Performance). It features the highest sun protection rating of UPF50+, a four-way stretch from a blend of 93% Microfiber Performance Polyester and 7% Spandex, and a completely opaque fabric that eliminates any show-through, regardless of color. It's no-sweat activewear for life's most Extreme moments.

222 > Aruba

Stay cool and protected in this performance tee that wicks away sweat while shielding you with unparalleled sun protection. UPF 50+ label on left hemmed sleeve.

- > 93% Microfiber Performance Polyester/7% Spandex
- > Paragon Plus Moisture Management
- > Anti-Microbial finish
- > Wrinkle-resistant finish
